I Once Was Lost, but Now I Have Found it.

Where? At my door. At the Eagle Grocery. What in the world is it, my dear? It is at the Eagle Grocery, a mammoth stock of Groceries, and at the lowest prices you ever heard of. The Eagle has been reading the papers and keeping posted on what was being offered for sale. They don't say anything about Terbacker and Candy, and other good things like that. It is not pickle dishes you want now, it is Candy. The Eagle has 2,000 pounds of candy for sale cheap. Christmas committees are invited to call and get my prices. Remember the place, on the big corner, just east of First National Bank.

Mother's Friend
lives a happy wife. She writes: "I have used Mother's Friend before two confinements. The last time I had twins, and was in labor only a few minutes. Suffered very little." The reason why

does expectant mothers so much good is because it is an external liniment, to be applied upon the outside, where much of the strain comes. It helps because the pores of the skin readily absorb it, and it comes into direct contact with and is absorbed by the parts involved. Morning sickness is quickly banished, and nervousness is kept completely away. The sense of dread and foreboding is not experienced, even during labor itself. Confinement is short and almost without pain. Recovery is quick and sure. Best of all, Mother's Friend benefits the unborn just as much as the expectant mother, and when the little one comes it will be strong, lusty and healthy.

Druggists sell Mother's Friend for \$1 a bottle. Send for our free book on the subject, finely illustrated.

In the early nineties, Anton Bahman tired of Custer, and rigged his schooner and hied away to Oregon and Washington, even going up into the British possessions, and not finding the place where roasted pigs run around with carving knives in their backs, he concluded to return to Custer, arriving last winter. He tried farming, with poor success, and is again making arrangements to leave. He has hardly made up his mind where he will go—hope he will find the pig or the pancake tree this trip.
